CALL FOR PAPERS

International Journal of Advancing Research, Innovation, and Entrepreneurship (IJARIE)

Advancing Knowledge. Inspiring Innovation. Empowering Impact.

The **International Journal of Advancing Research, Innovation, and Entrepreneurship (IJARIE)** invites researchers, academicians, practitioners, industry professionals, and innovators to submit **original, high-quality, and multidisciplinary research papers** for **Volume 2, Issue 3**.

IJARIE is a **peer-reviewed, open-access international journal** committed to advancing knowledge and promoting innovative research that bridges the gap between theory and practice. The journal provides a platform for scholars and professionals to share cutting-edge research, emerging ideas, innovative methodologies, and practical solutions with meaningful real-world applications.

We welcome contributions that demonstrate **academic rigor, originality, innovation, and practical impact** across a broad range of disciplines.

Areas of Interest

The journal welcomes research papers in, but not limited to, the following areas:

Engineering and Technology

- Artificial Intelligence and Machine Learning
- Internet of Things (IoT), Smart Systems and Robotics
- Renewable Energy and Sustainability
- Civil, Mechanical, Electrical and Computer Engineering
- Emerging Technologies and Digital Innovation
- Automation, Control Systems and Intelligent Technologies

Business, Management and Entrepreneurship

- Innovation Management and Business Strategy
- Startups and Entrepreneurial Ecosystems
- Marketing, Finance and Supply Chain Analytics
- Digital Transformation and E-Commerce
- Entrepreneurship and Small Business Development
- Organizational Leadership and Management

- Business Analytics and Decision Sciences

Education and Social Sciences

- Pedagogical Innovations
- Educational Technology and Online Learning
- Social Innovation and Community Development
- Public Policy, Governance and Leadership
- Higher Education and Educational Management
- Digital Education and Learning Technologies
- Social Entrepreneurship and Inclusive Development

Health, Environment and Applied Sciences

- Public Health and Healthcare Systems
- Environmental Science and Climate Action
- Biomedical Research and Life Sciences
- Agriculture, Food Technology and Rural Innovation
- Sustainable Development and Environmental Management
- Health Technology and Innovation
- Applied Sciences and Interdisciplinary Research

Interdisciplinary and multidisciplinary research addressing contemporary global challenges is particularly encouraged.

Submission Guidelines

Authors are invited to submit manuscripts that meet the following requirements:

- Manuscripts must present **original research** and must not have been previously published or be under consideration for publication elsewhere.
- Submissions should demonstrate **academic quality, originality, and relevance** to the journal's scope.
- Authors must follow the **IJARIE Author Guidelines** available on the journal website.
- Manuscripts must be prepared using the official **IJARIE Manuscript Template**.

- The Word version of the manuscript template, **IJARIE_PAPER_SUBMISSION_TEMPLATE.docx**, is available on the journal website.
  https://www.ijarie.org/public/journals/1/IJARIEDOCS/IJARIE_PAPER_SUBMISSION_TEMPLATE.docx
- All submitted manuscripts will undergo the journal's **peer-review and editorial evaluation process**.
- Authors are responsible for ensuring that their manuscripts comply with the journal's ethical, formatting, and submission requirements.
